Tuesday.

Dear friend: I enclose you Chapman's letter, which if convenient I should like to have returned on Wednesday P.M.

Do you know where my English Copy of the Mother's Book is. I want it greatly, for a particular reason. I was sorry that absence at Springfield, prevented my seeing L. Mott. — When is Mr. Child coming from North.? — I can frank him on the Rail Road — Don't forget this.

Yrs affectly E. S. L. —

Mrs Child.

In Mrs C.'s absence
Mrs Chapman will
open this.
